

Kenya Power

TRAINING SCHOOL

COURSES BEGINING IN JANUARY 2015

K.P.L.C Training School Ruaraka invites applications for the following courses:-

	COURSE TITLE	REQUIREMENTS AND TARGET GROUP	DURATION, FEE AND COMMENCEMENT DATE
1.	Diploma in Electrical and Electronic Engineering – Power Option - Module I- (KNEC) (DAY TIME)	School Leavers with K.C.S.E Mean Grade of C+ (plus), with C+ (plus) passes in Mathematics, English & Physics or Physical Science	3 years of 9 terms -sandwich w.e.f 6th January 2015. . (day time) Tuition Fees KSh25, 000/= per term.
2.	Craft Certificate in Electrical & Electronic Technology Power Option- Module I- (KNEC) - (DAY TIME)	School Leavers with K.C.S.E Mean Grade of C-(minus), with C - (minus) passes in Mathematics, English & Physics or Physical Science	2 years of 5 terms - sandwich w.e.f 6th January 2015(day time) Tuition Fees KShs.18, 000/= per term.
3.	Craft Certificate in Electrical & Electronic Technology – Telecommunication Option - Module I- (KNEC) (DAY TIME)	School Leavers with K.C.S.E Mean Grade of C-(minus), with C - (minus) passes in Mathematics, English & Physics or Physical Science	2 years of 5 terms - sandwich w.e.f 6th January 2015. .(day time) Tuition Fees KShs.18, 000/= per term.
4.	Craft Certificate in Mechanical Engineering – Production Option- Module I (KNEC)- (DAY TIME)	School Leavers with K.C.S.E Mean Grade of C-(minus), with C - (minus) passes in Mathematics, English & Physics or Physical Science	2 years of 5 terms - sandwich w.e.f 6th January 2015. .(day time) Tuition Fees KShs.18, 000/= per term.
5	Craft Certificate in Automotive Engineering - Module I (KNEC)- (DAY TIME)	School Leavers with K.C.S.E Mean Grade of C-(minus), with C - (minus) passes in Mathematics, English & Physics or Physical Science	2 years of 5 terms - sandwich w.e.f 6th January 2015. .(day time) Tuition Fees KShs.18, 000/= per term.
6.	Power Line Distribution Linesmen Proficiency course (National Industrial Training Authority) (DAY TIME)	School Leavers with K.C.S.E Mean Grade of C- (Minus), with C- (Minus) passes in English, Mathematics & Physics or Physical Science	3 years of 9 terms - sandwich w.e.f 6th January 2015. .(day time) Tuition Fees KShs25, 000/= per term.
7.	Diploma in Electrical and Electronic Engineering – Power Option -Module I - (KNEC) (EVENINGS)	School Leavers with K.C.S.E Mean Grade of C+ (plus), with C+ (plus) passes in Mathematics, English & Physics or Physical Science or Craft Certificate in Electrical installation- KNEC	3 years of 9 terms (EVENINGS from 4.00 –8.00p.m.) w.e.f. 6 th January 2015. Tuition Fees KShs.25, 000/= per term
8.	Diploma in Electrical and Electronic Engineering – Power Option - Module II - (KNEC) (EVENINGS)	Diploma in Electrical and Electronic Eng. Engineering Power Option - Module I	2 years of 4 terms (EVENINGS from 4.00 –8.00p.m) w.e.f .5 th May 2015. Tuition Fees KShs.25, 000/= per term
9.	Diploma in Electrical and Electronic Engineering – Power Option – Module III - (KNEC) (EVENINGS)	Diploma in Electrical and Electronic Eng. Engineering Power Option - Module II	1 year of 2 terms. (EVENINGS from 4.00 –8.00p.m) w.e.f .5 th May 2015. Tuition Fees KShs.25, 000/= per term
10.	Certificate in Electrical Installation wire man course Grade III – (National Industrial Training Authority) (EVENINGS)	School Leavers with K.C.S.E Mean Grade of D+ (Plus), with D+ (Plus) passes in mathematics, English & Physics or Physical Science	1 year of 3 terms. (EVENINGS from 4.00 – 8.00 p.m.) w.e.f. 6 th January 2015. Tuition Fees KShs.20, 000/= per term.
