1	In the tender document, you have made it clear that any bidder with outstanding supplies will not be considered but you have allowed JV between manufacturers. Does that mean that bidders with outstanding supplies are free to JV?	YES- Manufacturers with outstanding orders are free to enter into a JV with Manufacturers who do not have outstanding orders.

All other requirements remain as per the tender document and earlier communicated addenda and the pre-bid minute of 22nd March 2022.

Yours faithfully,
