- 29.4 If a Tender is not substantially responsive to the requirements of tendering document, it shall be rejected by KPLC and may not subsequently be made responsive by correction of the material deviation, reservation, or omission.

30. Non-conformities, Errors and Omissions

- 30.1 Provided that a Tender is substantially responsive, KPLC may waive any non-conformities in the Tender.
- 30.2 Provided that a Tender is substantially responsive, KPLC may request that the Tenderer submit the necessary information or documentation, within a reasonable period of time, to rectify nonmaterial non- conformities or omissions in the Tender related to documentation requirements. Such omission shall not be related to any aspect of the price of the Tender. Failure of the Tenderer to comply with the request may result in the rejection of its Tender.
- 30.3 Provided that a Tender is substantially responsive, KPLC shall rectify quantifiable nonmaterial non-conformities related to the Tender Price. To this effect, the Tender Price shall be adjusted, for comparison purposes only, to reflect the price of a missing or non-conforming item or component in the manner specified in the TDS. The adjustment shall be based on the average price of the item or component as quoted in other substantially responsive Tenders. If the price of the item or component cannot be derived from the price of other substantially responsive Tenders, KPLC shall use its best estimate.

31. Arithmetical Errors

- 31.1 The tender sum as submitted and read out during the tender opening shall be absolute and final and shall not be the subject of correction, adjustment or amendment in any way by any person or entity.
- 31.2 Provided that the Tender is substantially responsive, KPLC shall handle errors on the following basis:

- 31.3 Tenderers shall be notified of any error detected in their Tender during the notification of award.

32. Conversion to Single Currency

- 32.3 For evaluation and comparison purposes, the currency(ies) of the Tender shall be converted in a single currency as specified in the TDS.

- 33.1 A margin of preference may be allowed on locally manufactured goods only when the contract is open to international tendering, where the tender is likely to attract foreign goods and where the contract exceeds the threshold specified in the Regulations.
- 33.2 For purposes of granting a margin of preference on locally manufactured goods under international competitive tendering, KPLC shall not subject the items listed below to international tender and hence no margin of preference shall be allowed. The affected items are:

No tender shall be reserved to more than one group. If not so stated in the Tender documents, the invitation to tender will be open to all interested tenderers.

34. Evaluation of Tenders

- 34.4 The Purchaser reserves the right to accept or reject any variation, deviation, or alternative offer. Variations, deviations, and alternative offers and other factors which are in excess of the requirements of the Tender documents or otherwise result in unsolicited benefits for the Purchaser will not be taken into account in Tender evaluation.
- 34.5 If applicable, the estimated effect of the price adjustment provisions in the Framework Agreement(s) (which determines the Contract Price for a Call-off Contract), applied over the Term of the Framework Agreement, shall not be taken into account in the Primary Procurement Tender evaluation.
- 34.6 KPLC's evaluation of a Tender will exclude and not take into account:
- (a) in the case of Goods manufactured in Kenya, sales and other similar taxes, which will be payable on the Goods if a Call-off Contract is awarded to the Tenderer;

 - (c) if applicable, any allowance for price adjustment during the period of execution of the Call-off Contract, if provided in Section IX: Framework Agreement Specific Provisions.
- 34.7 The Procuring Agency's evaluation of a Tender may require the consideration of other factors, in addition to the Tender Price quoted in accordance with ITT 14. These factors may be related to the characteristics, performance, and terms and conditions of purchase of the Goods and Related Services or geographic location. The effect of the factors selected, if any, shall be expressed in monetary terms to facilitate comparison of Tenders, unless otherwise specified in the TDS from amongst those set out in Section III, Evaluation and Qualification Criteria.

35. Comparison of Tenders

- 35.1 KPLC shall compare the evaluated costs of all substantially responsive Tenders established in accordance with ITT 29 to determine the ranking of the Tenders based on the lowest evaluated cost. The comparison shall be on the basis of DDP (place of final destination) prices for imported Goods and EXW prices, custom duties plus cost of inland transportation and insurance to place of destination, for Goods manufactured within Kenya, together with prices for any required installation, training, commissioning and other Related Services.

36. Abnormally Low Tenders

- 36.1 An Abnormally Low Tender is one where the Tender price, in combination with other constituent elements of the Tender, appears unreasonably low to the extent that the Tender price raises material concerns with KPLC as to the capability of the Tenderer to perform the Contract for the offered Tender price.
- 36.2 In the event of identification of a potentially Abnormally Low Tender by the evaluation committee, KPLC shall seek written clarification from the Tenderer, including a detailed price analyses of its Tender price in relation to the subject matter of the contract, scope, delivery schedule, allocation of risks and responsibilities and any other requirements of the tendering document.

- 36.3 After evaluation of the price analysis, in the event that KPLC determines that the Tenderer has failed to demonstrate its capability to perform the contract for the offered Tender price, KPLC shall reject the Tender.

37. Abnormally High Tenders

- 37.1 An abnormally high price is one where the tender price, in combination with other constituent elements of the Tender, appears unreasonably too high to the extent that KPLC is concerned that it (KPLC) may not be getting value for money or it may be paying too high a price for the contract compared with market prices or that genuine competition between Tenderers is compromised.
- 37.2 In case of an abnormally high tender price, KPLC shall make a survey of the market prices, check if the estimated cost of the contract is correct and review the Tender Documents to check if the specifications, scope of work and conditions of contract are contributory to the abnormally high tenders. KPLC may also seek written clarification from the tenderer on the reason for the high tender price. KPLC shall proceed as follows:
- i) If the tender price is abnormally high based on wrong estimated cost of the contract, KPLC may accept or not accept the tender depending on KPLC's budget considerations.
 - ii) If specifications, scope of work and/or conditions of contract are contributory to the abnormally high tender prices, KPLC shall reject all tenders and may retender for the contract based on revised estimates, specifications, scope of work and conditions of contract, as the case may be.
- 37.3 If KPLC determines that the Tender Price is abnormally too high because genuine competition between tenderers is compromised (often due to collusion, corruption or other manipulations), KPLC shall reject all Tenders and shall institute or cause relevant Government Agencies to institute an investigation on the cause of the compromise, before retendering.

38. Post-Qualification of the Tenderer(s)

- 38.1 Before concluding a Framework Agreement(s), KPLC shall determine to its satisfaction whether the eligible Tenderer(s) with substantially responsive Tender(s) meets the qualifying criteria specified in **Section III**, Evaluation and Qualification Criteria.
- 38.2 The determination shall be based upon an examination of the documentary evidence of the Tenderer's qualifications submitted by the Tenderer, pursuant to ITT 17. The determination shall not take into consideration the qualifications of other firms such as the Tenderer's subsidiaries, parent entities, affiliates, subcontractors (other than specialized subcontractors if permitted in the Tender document), or any other firm(s) different from the Tenderer.
- 38.3 An affirmative determination shall be a prerequisite for the conclusion of the Framework Agreement (s) to the Tenderer. A negative determination shall result in disqualification of the Tender, in which event KPLC shall proceed to the next lowest evaluated Tender to make a similar determination of that Tenderer's qualifications to perform satisfactorily.

39. Procuring Entity's Right to Accept Any Tender, and to Reject Any or All Tenders

- 39.1 KPLC reserves the right to accept or reject any Tender, and to annul the Tendering process and reject all Tenders at any time prior to the conclusion of a Framework Agreement(s), without thereby incurring any liability to Tenderers. In case of annulment, all Tenderers shall be

notified with reasons and all Tenders submitted and specifically, tender securities, shall be promptly returned to the Tenderers.
